

# Suzy Ashworth

Designer  
Limitless You Ltd

We are hiring! Suzy Ashworth is looking for an experienced, passionate Designer with a strong attention to detail. This person will work to elevate and nurture the brand across the website, social media and at our in-person events.

This exciting position is a part time role and perfect for someone who is looking to work within a fast-growing, dynamic, thriving and supportive business.

The successful person will be driven, quick to take their initiative and work effectively as part of #teamsuzy to develop branding and content that raise the brand awareness, attract our dreamboat customers, improve our positioning, and help generate revenue. They will make sure branding is consistent, and powerful, across all platforms. We want every piece of work to feel like a masterpiece, to stand alone but also as part of the larger brand identity.

They will be a natural problem solver and will carry out research to ensure we are ahead of market trends as well as creating social media, podcast and video branded templates and working closely with the marketing team to create creative that is needed both in and out of launching. This is a home based role so strong time management and communication skills are essential.

## ***Requirements for the role:***

- Previous experience as a Designer or similar role.
- Experience in creating high-level brand identities that are consistent and make sense across all mediums and platforms.
- Experience working in or with the marketing and business development teams to create world class ideas.

- Experience in the creative process of generating, developing and communicating new ideas that have that extra edge and wow factor.
- Excellent IT skills, especially with design and photo-editing software.
- Skilled in typography, designing for print, merchandise and for use online (website & social media).
- An excellent strategic thinker.
- A strong attention to detail.
- A passion and understanding of the latest and future trends with a clear vision of how these can be applied to the business
- Be able to analyse data and research in order to make informed decisions on where to take the creative vision.
- Are able and confident to adjust strategies if results are not meeting the required expectations.
- Professional approach to time, costs and deadlines.
